
SPONSOR A SCHOOL PROGRAM

www.KidsPrizePack.com

Kids Prize Pack is proud to announce our new Sponsor-A-School Program. This program is designed to help individuals or businesses support Literacy and Education in their local communities. We will partner with the school or class of your choice and will provide a Free Kids Prize Pack to be awarded to the Top Student each month.

Why Partner With Kids Prize Pack?

Kids Prize Pack was founded on the idea that Education should be fun and rewarding. We are dedicated to providing the Best Books, Toys, Games, and Activities to make this happen. Our belief is that the most efficient way to get children interested in learning is by providing incentive and interest. By becoming one of our Sponsors you will be doing just that. Helping children learn and giving them something to work towards is just the first step in helping them become successful adults.

Here is the Best Part!

As a Sponsor you will be able to use our Official Sponsorship Logo and will be featured on our Website. This way everyone will know that you are a Proud Supporter of Children's Literacy and Education!
